## Cost Not Considered in this Sale

We need the money we can get on it. We are losing money on this merchandise, but you are doing us a favor by taking advantage of it. There's money saving in it for you.

You need only remember the magnificent line on display in our windows all this Spring season to know the class of merchandise we are offering. They are all bright, new, high class clothing of the best makes in this country. Never in the history of our house have we had so little stock that is not strictly new, but we have a little. We are frank and honest in telling you. WE APPEAL TO YOUR REASON. There could not be a stock of this size without having some a little off date. Where it is we have told you so honestly and given prices accordingly. Prices that make it a rare opportunity for a good suit for almost nothing compared to the value.
